ABRA Business Research Award

The HCT Faculty of Business created the annual ABRA Awards to promote and honor excellence in business research.

The ABRA Awards recognize and reward HCT faculty members who have made outstanding contributions to research in the field of Business and who have distinguished themselves through their research endeavors, both within and outside HCT. The awards are presented during the HCT's international business conference, recognizing the superior academic work published in the preceding year.

The awards provide compensation for research activities by HCT faculty members, who meet their task goals and contribute to quality research in the field of Business.

Organized by the
HCT Faculty of Business
