

5th HCT INTERNATIONAL MULTI-CONFERENCES

ASET

ADVANCES IN SCIENCE & ENGINEERING TECHNOLOGY

2023
February 20-23

HCT - Dubai Men's Campus

International Student Scientific Poster Competition ASET 2023

The International Student Scientific Poster Competition is very important activity of the Advances in Science and Engineering Technology multi-conferences (ASET'2023).

The International Student Scientific Poster Competition is for those students currently enrolled in an undergraduate, or Alumni, engineering program (all disciplines) at HCT and other universities in UAE & GCC region & Worldwide.

Students will have the opportunity to exhibit their undergraduate senior design projects posters as part of this competition, which will enhance the culture of competition among students and enable students to exchange experiences with their peers from other universities and colleges.

All poster categories explained below will have three winners and the names of winners will be announced at the second day of the conference 21st of Feb. 2023, the winners will be awarded by recognition certificates and the winning posters will be published in the website of the ASET'2023 conference and on the HCT portal.

The conference registration fees for participating students will be waived and all participating students will receive certificates of participation.

The poster competition students can register to participate in the competition by completing the online registration form ([Online Registration Form](#)) or Scan the QR code below in order to obtain approval for participation in the competition .

The completed poster should be revised by the relevant project supervisor and submitted in PDF format before January 31st, 2023 by email to the competition Chair – Mrs. Ehsan Jarrar ejarrar@hct.ac.ae

The competitors will be given a 15-minutes time period to explain their posters to the judging panel, judging sessions will consist of a five-minutes presentation, two-five minutes to show a project' video plus five-minutes question-and-answer period. At least one competitor for each approved poster must attend this session to present the poster.

Competition Chair – Mrs. Ehsan Jarrar ejarrar@hct.ac.ae

Poster Categories

1. **Electrical Engineering**
2. **Mechatronics**
3. **IoT**
4. **Advanced Materials, Design, and Manufacturing**
5. **Biomedical Engineering**
6. **Renewable and Sustainable Energy**
7. **Aviation and Space Technology**
8. **Sustainable Environment and Urban Infrastructure**
9. **Engineering Education**
10. **Industrial logistics supply chain**
11. **Marine transport**
