ADVANCES IN SCIENCE &
ENGINEERING TECHNOLOGY

2026
21-23 September

HCT – Dubai Academic City Campus

The International Student Scientific Poster Competition is a very important activity of the Advances in Science and Engineering Technology multi-conferences.

The competition is open for students currently enrolled in an undergraduate engineering program (all disciplines), or alumni, at HCT and other universities in the UAE & GCC region, and worldwide.

Students will have the opportunity to exhibit posters of their undergraduate senior design projects as part of this competition, which will enhance the culture of competition among students and enable them to exchange experiences with their peers from other universities and colleges.

All poster categories explained below will have three winners, and the names of winners will be announced on the first day of the conference on **14 September 2026**. Winners will be awarded recognition certificates.

Conference registration fees for participating students will be waived, and all participating students will receive certificates of participation.

The poster competition students can register to participate in the competition by completing the online registration form Poster [Competition Registration Form](#) or Scan the QR code below in order to obtain approval for participation in the competition.

The completed poster should be revised by the relevant project supervisor and submitted in PDF format before **24 August 2026 by email** to the competition Chair – **Mrs. Ehsan Jarrar** ejarrar@hct.ac.ae

Competitors will be given a **15-minute time** period to explain their posters to the judging panel. Judging sessions will consist of a five-minute presentation, two to five minutes to show the project video, plus a five-minute question-and-answer period. At least one competitor for each approved poster must attend this session to present the poster.

Competition Chair: **Mrs. Ehsan Jarrar**, ejarrar@hct.ac.ae

Poster Topics:

1. **Electrical Engineering**
2. **Mechatronics Engineering**
3. **Biomedical Engineering**
4. **Power Engineering and Renewable Energy**
5. **Mechanical Engineering**
6. **Communications and Electronics Engineering**
7. **Computer Engineering/ Computer Science**
8. **Chemical Engineering**
9. **Industrial Engineering**
10. **Aviation Engineering**
